Using the graph paper below, draw out each of your rooms and show the length of each wall (feet and inches). Show the closet location, if any, and the size of each wall. Bring this form in and we will tell you what size flooring you need to buy.

**Measure each wall in the room.
For stairs, count tread and
measure the width of the tread.**

A large grid of graph paper, consisting of 20 columns and 20 rows of small squares, intended for drawing room layouts.
